Additionally, we may also request information about various customer service elements. Given that providing your name and other details is optional.

LINKS TO OTHER WEBSITES AND THIRD PARTIES ON THE INTERNET:

This policy applies to our website and all the services and programs it provides. If you navigate to another website or platform through our website, you should read the privacy policies of that site to determine their information security practices and privacy policy.

PURPOSE OF COLLECTING PERSONAL DATA:

Personal data is collected and used for several reasons, including but not limited to:

Collecting and processing personal data to meet legal, regulatory, operational, and developmental requirements.

Fulfilling the necessary data requirements for providing services and electronic transactions.

Understanding users' needs to improve products and services.

Enabling the development, operation, and improvement of the company's products and services and the marketing to the company's clients.

Allowing users to access services and conduct transactions.

Analyzing data and issuing reports that serve the necessary business requirements, such as statistical reports.

Archiving this information and data and/or using it for future communication with you.

Resolving inquiries or complaints you may have and improving the user experience across all company's communication channels.

YOUR RIGHTS REGARDING THE PROCESSING AND PROTECTION OF YOUR PERSONAL DATA:

Under the Personal Data Protection Law in The United Arab Emirates (UAE), data's owner have the following rights, which primarily depend on the purpose of collecting and processing personal data:

Right to be informed: Data's owner has the right to be informed of the purpose of collecting and processing their personal data, the legal basis for this purpose, the content of the data to be processed, the method of collection, the means of storage, and the parties to whom the data will be disclosed (where privacy notices can be one of the means through which data subjects can exercise this right).

Right to access your personal data: Data's owner has the right to request a copy of their personal data through the available channels or via the email address provided in the contact details below

Right to correct your personal data: Data's owner has the right to request the correction of their personal data if they believe it is inaccurate, incorrect, or incomplete, through the authorized channels or via the email address provided in the contact details below.

Right to destruct your personal data: Data's owner has the right to request the destruction of their personal data when the purpose of its collection and processing has been fulfilled, under certain conditions that do not contradict legal principles and legitimate interests, and upon the expiration of the legal and regulatory retention period.

Right to object to processing: Data's owner has the right to object to the (collection, processing, storage, sharing, or disclosure) of their personal data without explicit or implicit consent, or if processing is for direct marketing purposes.

Right to restrict processing: Data's owner has the right to request the restriction of processing their personal data for any purposes.

Right to transfer personal data: Data's owner has the right to request the transfer of their personal data (processed data) that was collected directly from them and with their explicit consent to any party according to the policies followed by the company.

For more details about processing your personal data and how to exercise your rights, you can refer to the Personal Data Protection Law and its executive regulations.

SHARING YOUR PERSONAL DATA:

We may exchange, process, and share any information and data you provide us with your full knowledge and/or collect from you with our partners, or third-party suppliers for legitimate purposes based on regulatory basis or operational needs, including but not limited to, conducting analyzes and studies, search engine service provider, and advertisers. Data is shared in specific ways aimed at achieving a public interest without causing any harm to national interests, the activities of entities, or individuals' privacy. This excludes data and entities exempted by official orders. When sharing your personal data, we ensure that it is shared through a secure and trusted environment, in accordance with relevant laws, regulations, and policies. We may take additional steps to ensure the protection of your data by signing a data sharing agreement according to specific terms and conditions that aligns with data sharing principles.
